Parts Quality Attestation

Wulf Gaertner Autoparts AG declares and certifies that its products are original parts as defined in paragraph 19 or matching quality parts as defined in paragraph 20 of European Commission Notice to Regulation 461/2010 “Supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and for the distribution of spare parts for motor vehicles” (2010/C 138/05).

The use of our products is authorized in the maintenance and repair of vehicles, even during the vehicle warranty period, without forfeiting the warranty*.

version 2011

Director Quality Assurance
Manfred Wunder

* “In view of the vehicle manufacturers’ direct contractual involvement in repairs under warranty, free servicing, and recall operations, agreements containing obligations on authorized repairers to use only spare parts supplied by the vehicle manufacturer for those repairs should be covered by the exemption.”
